Brief Synopsis

Tonight, the Communication Centre received a barrage of phone calls on the 'Other Emergency' (OE) line from individuals who attempted to tie up police communicator resources. The calls, in all likelihood relating to the Freedom Convoy, originated from various area codes from Alberta, Florida and Missouri.

As both 911 and OE calls are vetted by the same Police Communicators, Communication Supervisor Tie Ten Quee reassigned all but one Communicator to 911 as to not impede incoming 911 calls. The Command Centre will continue to monitor this situation throughout the night.
